

Public Housing Homeownership Initiative

The Fort Worth Housing Authority (FWHA) is proud to announce the sale of 65 remaining single-family homes and would like to give public housing residents the first opportunity to purchase. If you would like to hear more about this opportunity, please click on the PH Homeownership tab at the top of the page and submit the attached documents.

As a Public Housing resident, you are required to attend an orientation to answer any questions you may have. As Partners with the City of Fort Worth, you may be eligible to receive up to \$14,999 for down payment and closing costs. Do not be discouraged if you believe your credit will disqualify you. While you must be able to qualify for a mortgage loan, free counseling will be provided before and after all home purchases.

If you have questions, please contact Vickie Roberts at (817) 333-2127.
