ii. Executive Summary of the Annual PHA Plan

The 2009 Annual Agency Plan for the Fort Worth Housing Authority (FWHA) has been prepared in compliance with the Quality Housing and Work Responsibility Act of 1998 and any subsequent amendments to the Act.

The purpose of the Annual Plan is to provide a framework for local accountability to serve as a reference source for public and assisted housing residents, and to provide the public with information on policies that govern FWHA's operation, programs and services.

The achievement of FWHA's mission and the accomplishment of goals are ensured by a commitment to create and manage innovative housing options for low-income families, and to provide supportive services that enhance opportunities for housing residents to achieve self-sufficiency.

The Public Housing Admissions and Continued Occupancy policy and the Housing Choice Voucher Program (HCVP) Administrative Plan are two major policies detailed in this plan. These policies contain information on public housing tenant selection and assignment plan, outreach services, and FWHA's use of vouchers and the responsibilities of HCVP participants and landlords including grievance procedures, etc.

The Fort Worth Housing Authority has also employed strategic initiatives that support the agency's overall success. One major initiative has been the continuation of the strategic planning process used to identify and assess past, current and future performance of the agency goals, initiatives and activities. The strategic planning process culminates in the development of an agency Strategic Plan that guides long-term operations.

Additional strategic initiatives that have been implemented to support the continued success of the Agency Plan for FY 2009 include:

- A business model transition to Asset Management that will manage the agency's growing inventory of mixed-income properties and represent FWHA interest in developing tax credit incentive partnerships
- The decentralization of FWHA property management through the establishment of site-based budgeting for the measurement of individual site financial performance
- The implementation of an Energy Performance Contract with Energy Services Company (ESCO) that offered major cost savings throughout all conventional public housing sites
- The establishment of new partnerships with community partners, private businesses and outreach ministries that greatly contributed to the expansion of resident self-sufficiency programs and activities
- Significant progress achieved in the replacement of Ripley Arnold Place housing units from 268 to 234.
- We are confident that the various strategic initiatives directly support the overall success of the Agency Plan for FY 2009. FWHA will continue to evaluate the goals, objectives and procedures that have been established for the next five years to ensure that the housing authority continues to operate in an efficient manner.

If the family requests a hardship exemption, the FWHA will immediately suspend the minimum rent for the family until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

A hardship exists in the following circumstances:

1. When the family has lost eligibility for or is waiting on eligibility determination for a Federal, State or local assistance program;
2. When the family would be evicted as a result of the imposition of the minimum rent requirement.
3. When the income of the family has decreased because of changed circumstances, including loss of employment;
4. When a death has occurred in the family.

No hardship: If FWHA determines there is no qualifying hardship, the minimum rent will be reinstated and back payment of minimum rent for the time of suspension will be required.

Temporary hardship: If the FWHA determines that the hardship is temporary, the minimum rent will be imposed and include back payment for the minimum rent from the time of the suspension. If the family is unable to repay the entire new rent due, the family cannot be evicted for non-payment during the 90-day period commencing on the date of the family's request for exemption. A reasonable repayment agreement must be offered for any such rent not paid during that period. If the family thereafter demonstrates that the financial hardship is of long-term duration, the FWHA shall retroactively exempt the family from the minimum rent requirement.

Appeals: The family may use the grievance procedure to appeal FWHA's determination regarding the hardship. No escrow deposit will be required to access the grievance procedure.
